Description

Ron Barceló Imperial

Barceló Rum is born from the dream of two Spanish brothers from Majorca, Julián and Andrés Barceló, who arrived in **Santo Domingo** in 1929 to follow their dream of making the best rum in the world. Since then, they have become expert rum blenders that combine traditional, handcrafted techniques with contemporary processes.

How it is made

Ron Barceló Imperial is aged at a controlled temperature and humidity. This rum is made from refined juice of sugar cane distilled in stills. Aging takes place in new Bourbon oak casks from 6 to 12 years.

Ron Barceló Imperial, aroma a helado de vainilla, fruta seca, higos, dátiles y caramelo. Matices a maderas tostada. En boca es suave, redondo, ligero, sedoso y noble. Envase muy chulo, elegante, casi un perfume, transparente para que nada enturbie la imagen perfecta de un destilado sublime. Inspirado en la tradición perfumista y licorera francesa.
