Description

Motorhead Road Crew APA

American Pale Ale with hoppy citrus and blackcurrant flavours, made by the **British brewery Camerons** in collaboration with legendary British rock band Motörhead. This beer is inspired by Mötörhead's '(We Are) The Road Crew' which appears on the 1980s 'Ace of Spades' album. This song was written as a tribute to the band's dedicated team of roadies. Camerons is a brewery located in Hartlepool and founded in 1852 by William Waldon. This brewery is well known by its excellent beers and lagers brewed at the Lion Brewery with the finest ingredients.

Tasting notes

Goldern colour with white head of foam. Aromas of cereals, ripe fruit, hops and citrus. Hoppy flavours of citrus with a touch of blackcurrant. Bitter finish. It goes very well with spicy foods. 4,5% ABV.
