Description

Señorio de Broches

Vino Dulce Natural, or **Naturally Sweet Wine**, with *Denominación de Origen Málaga*, made from **Moscatel de Alejandría** grapes, grown in the area of Axarquía, Málaga. No additional sugar is added, as it only contains the sugars from the unfermented must. **Dimobe**, Bodegas Antonio Muñoz Cabrera, is a renowned family winery founded in 1927 in Moclinejo, Málaga.

How it is made

The Moscatel grape is handpicked, delicately pressed in the pneumatic press and submitted to a cold debourbage. The must is left to ferment in a controlled temperature of 17° C. Wine alcohol is added to the partially fermented must to arrest its alcoholic fermentation.

Awards
