Description

Tequila Sauza Hornitos

Premium tequila made with authentic Mexican blue agave and aged for 2 months in 38000 liter oak vats, to ensure minimal contact with the wood. This way, this tequila reposado has a livelier agave taste than most wood-treated tequilas. **Hornitos Tequila** was founded in 1950 by Javier Sauza and named after the "little ovens" used to roast agave. It is owned by Casa Sauza.

Tasting notes

Pale straw colour. Subtle aroma of agave with hints if green apple and herbs. Balanced on the mouth, medium body, flavours of herbs, apple and slightly woody. Astringent finish. It is perfect with cocktails, such as the Margarita.
